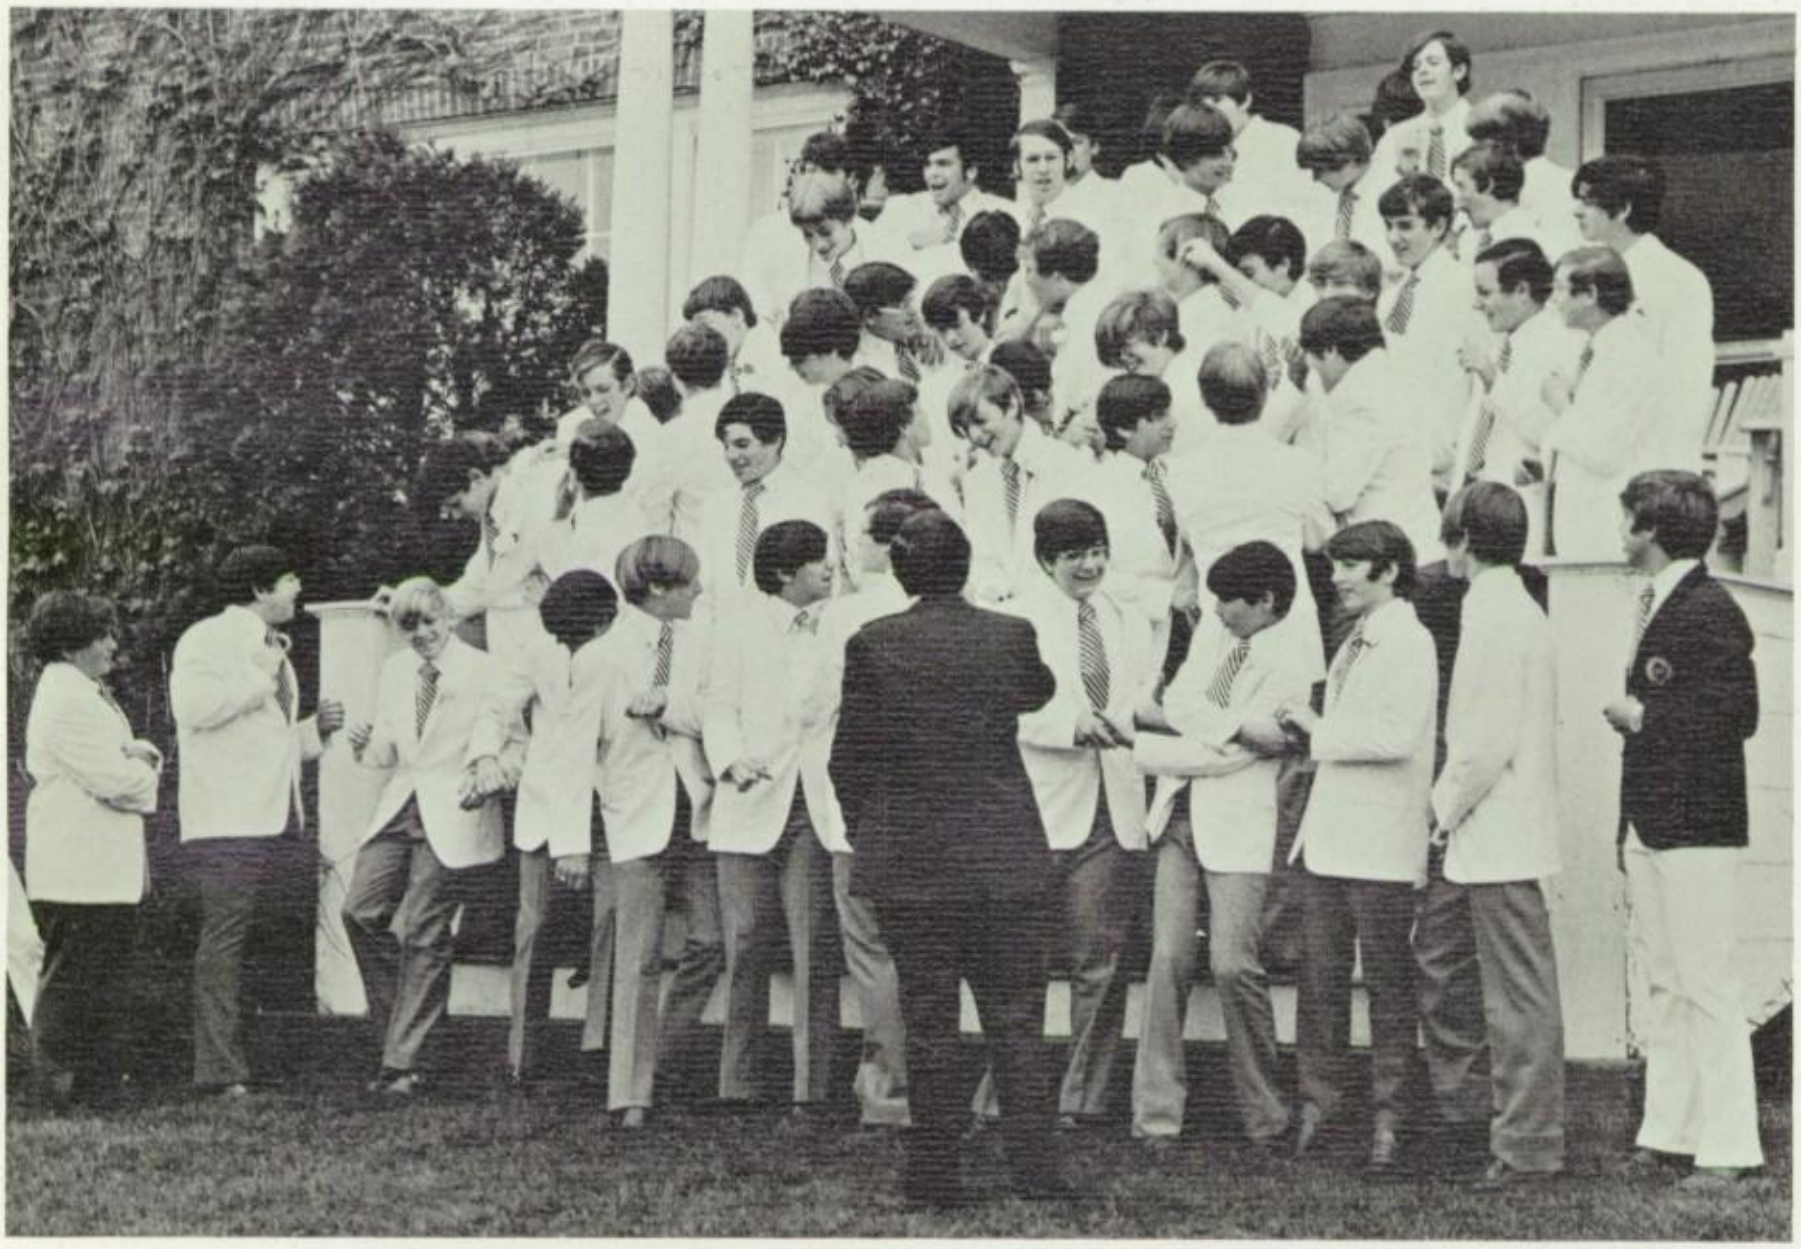
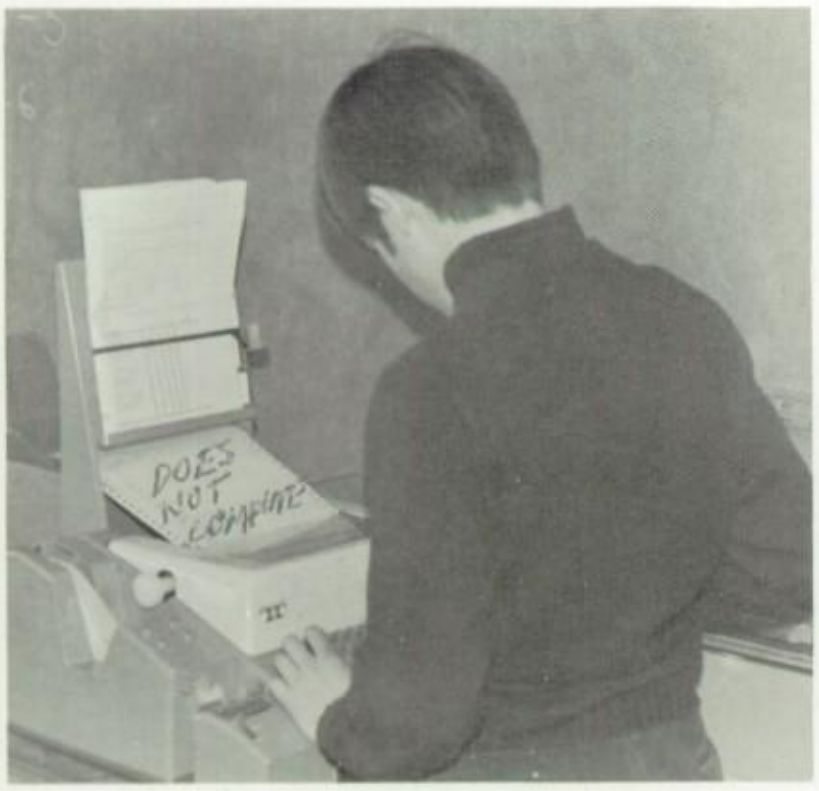
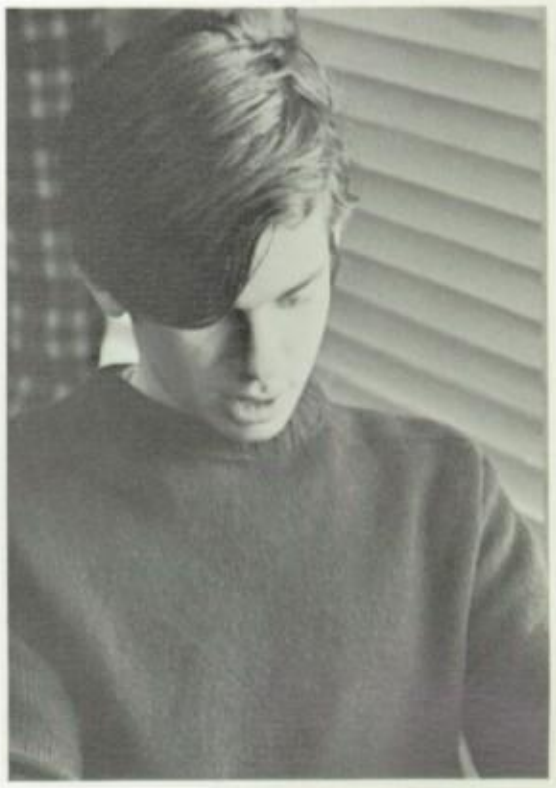
GRADUATION



Come on fellas; let's get serious. It's time for your Graduation Photo! Baxter, Melvin, Collins, straighten up!

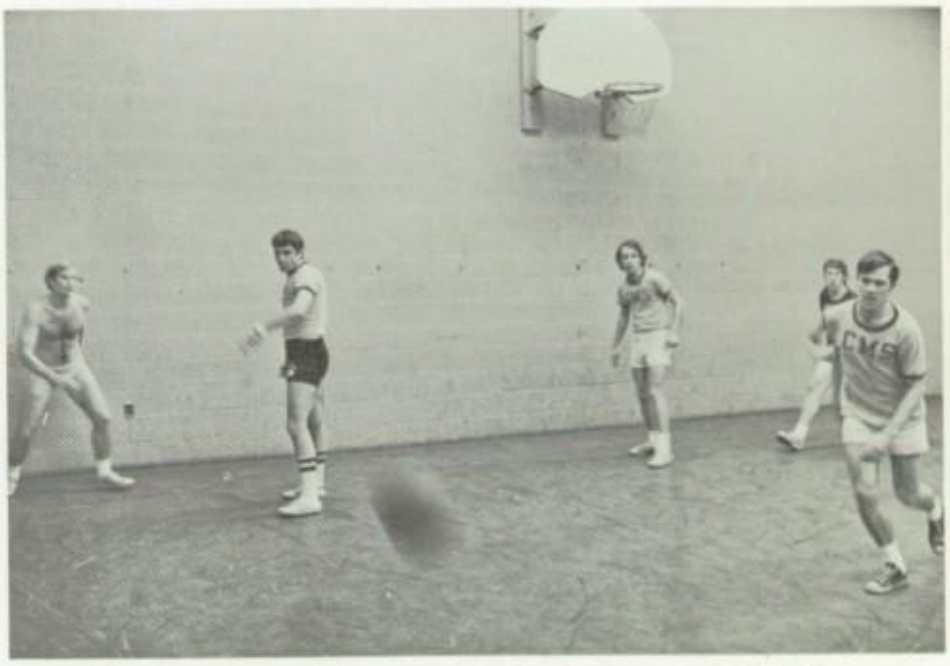


What's a turkey, sir?



Gee, the book was here just a minute ago.

Sorry, Pusey, we always use a golf ball to test our new students.



Oh, did conference period begin, Mr. Wakely?

O.K. Wynne, you've put Mr. Collins somewhere. Now, empty this locker!

Look Mr. Wakely is beating that child.

LAMPOON

NOT DEDICATED TO

MRS. CAROL MOSS SHELTON

Because...

1. She is married to Mr. Shelton ... which is enough, but we'll go on.
2. She has actually been known to smile; this is a direct violation of rule 19-1, chapter 7 of the National Librarian's Association Constitution.
3. She repairs A.V. equipment with hair pins, showing up the A.V. crew who can't repair equipment with tools.
4. Mr. Fahrner claims she can't read.
5. Her middle name is MOSS.

Now Some Good Things About Mrs. Shelton:

She is popular and is often seen around campus with her many friends.

She is always decorating the dining room to make it a more interesting place in which to eat. No one knows when he will find a balloon in his soup.

Lambs love her. (Note to her right: an unidentified friend.)

FACULTY

DEDICATION

The Senior Class of 1974 is proud to dedicate this year's BLAZE to Miss Mary E. Howe, our school nurse.

For the past ten years she has devoted her time to the health and well-being of all Cardigan students as well as faculty members and their children. Being available twenty-four hours each day, though necessary, has made her job a most demanding one, but Miss Howe has shouldered this responsibility, giving her skilled attention, regardless of time or circumstances.

Miss Howe, the 1974 Senior Class salutes you, thanks you, and all Cardigan appreciates you!
